

The Centralina Council of Governments (CCOG), a dynamic regional planning organization serving the Greater Charlotte Region of North Carolina, seeks an experienced **Grants Development Director**.

The Grants Development Director will be responsible for: establishing and implementing a development strategy and funding framework for CCOG's regional planning activities; leading grants development and administration for the organization; and providing grants search and application resources for CCOG's member communities. The Grants Development Director will need to develop self-sustaining funding within one year of hire.

Requires master's degree in public administration, public policy or related field; strong communication and management skills; considerable experience in public sector planning, administration and management of local, regional, state and federally funded programs or equivalent combination of education and experience. Salary DOQ, excellent benefits.

Send cover letter and résumé to: CCOG, "Grants Development Director Recruitment", 525 North Tryon Street, 12<sup>th</sup> Floor Charlotte, NC 28202 or e-mail to [admin@centralina.org](mailto:admin@centralina.org). Deadline: Friday, September 9, 2011. Visit [www.centralina.org](http://www.centralina.org) for more information on CCOG and for a full position description.
