Eli Spang
Communications & Membership Associate
National Association of Regional Councils
660 North Capitol Street NW Suite 440
Washington, DC 20002

Dear Eli,

On behalf of the San Luis Obispo Council of Governments (SLOCOG), we would like to communicate our support of Paso Robles City Councilmember Fred Strong's continued service as a board member of the National Association of Regional Councils (NARC).

Fred has served the SLOCOG Board of Directors since 2007, and currently serves as SLOCOG president and councilmember for the City of Paso Robles. Always a civic-minded, community-oriented leader, Fred has chaired and served on numerous government committees and advisory boards at the local, state, and national levels, including positions on NARC's Board of Directors, NARC's Transportation Committee, the National League of Cities' (NLC) 2018 Transportation and Infrastructure Services Federal Advocacy Committee, and the Los Angeles - San Diego - San Luis Obispo (LOSSAN) Rail Corridor Agency.

Fred is a tireless advocate committed to furthering transportation initiatives at all levels of government. We firmly believe that he would continue to be a tremendous resource to the NARC Board.

Sincerely,

Pete Rodgers
Executive Director
San Luis Obispo Council of Governments
