**Washington, DC (June 12, 2019):** The National Association of Regional Councils (NARC) recently celebrated its 53rd Annual Conference and Exhibition in Omaha, Nebraska and elected leaders for 2019-2020. For over 50 years, NARC has served as a national voice for a regional approach to meeting local challenges. NARC members work collaboratively in their communities – large and small, urban and rural – to address the needs of their citizens and promote a regional approach to planning for the future.

Ms. Vogt also serves as the Olathe Council representative on the Olathe Transportation Committee, as the Chairman of the Olathe Comprehensive Plan Committee, as a board member for the Mahaffie Stagecoach Stop & Farm Foundation and as a member of the Johnson County Transportation Coordination Council. From 1996 to 1998, she served on the State Board of Nurse Examiners and Committee for Advanced Nurse Practice.
