Dear Anna,

On behalf of the Broward Metropolitan Planning Organization, we would like to communicate our support of Bryan Caletkas' continued service as a Board member of the National Association of Regional Councils.

Bryan is a long serving member of the Broward MPO currently serving as Vice Chair while also serving as Vice Mayor of the town of Davie, Florida. He has been faithfully serving his community since 2006, and is a dedicated advocate of transportation. The dedication he embodies for transportation is exemplified through his work as a current Board Member on the National Association of Regional Councils and also as an active member of the Association of Metropolitan Planning Organizations, where he engages in issues on the national level. As MPO Vice-Chair, Bryan also represents the Broward MPO on the regional level as the MPO's representative to the Southeast Florida Transportation Council and at the state level as an active member of the Florida Metropolitan Planning Organization Advisory Council. Bryan is committed to finding ways to better connect the municipalities of Broward County through a variety of transportation options. He prides himself on a shared vision of working with elected officials at all levels and is a champion of collaboration.

We feel very strongly that his continued contribution to the National Association of Regional Councils Board would be a tremendous asset.

Sincerely,

Richard Blattner
