The River to Sea Transportation Planning Organization (R2CTPO) coordinates transportation planning efforts between local governments, planning organizations, the business community and service agencies. The organization prides itself in offering a friendly and professional working environment, with collaborative decision-making, flexibility and autonomy. The Senior Planner works closely with the Executive Director to provide leadership for the organization. This includes managing projects, developing work plans, engaging community partners and ensuring planning activities are completed on schedule and within budget.

Our office is located in beautiful Daytona Beach, Florida within a short drive to world famous attractions, including the Daytona International Speedway, Kennedy Space Center and Central Florida theme parks. The area we serve includes Volusia County and the eastern portion of Flagler County. Our residents represent various ethnicities, abilities and age groups; our communities include rural farm towns and growing cities; and the natural environment includes some of the most beautiful waterways and interesting wildlife known to the state.

Minimum qualifications for this position include a Bachelor's degree in Planning, Business Administration, Public Administration, Finance or a related field with a Master's degree preferred and at least ten-years of experience working in, or with, an MPO/TPO, transit agency or transportation-related organization. Qualified candidates will have experience in traffic modeling, data analysis and ArcGIS software. An equivalent combination of education and/or experience may be substituted for the minimum qualifications.

Interested candidates can learn more about the organization and view additional information regarding this position at www.r2ctpo.org.

Resumes may be submitted by e-mail to: Debbie Stewart at dstewart@r2ctpo.org. Candidates will be required to complete an employment application prior to being interviewed.
