A Prescription for Action: Local Leadership in Ending the Opioid Crisis

A new joint report from National Association of Counties (NACo) and the National League of Cities (NLC) examines how cities and counties can strengthen collaboration with each other and state, federal, private-sector and non-profit partners to tackle the opioid crisis.

Several of the recommendations are accompanied by existing local practices from cities and counties. The report also includes recommendations for state and federal officials, who are pivotal partners in local efforts to combat opioid misuse, diversion, overdose and death.
