

Senior Transportation Planner

INCOG, the designated Metropolitan Planning Organization for the Tulsa Transportation Management Area (TMA), is seeking a Senior Transportation Planner to coordinate the region's, federally funded local public projects with the Oklahoma Department of Transportation. The individual also will be responsible for developing and maintaining the Transportation Improvement Program (TIP). Other responsibilities include working with a dynamic team of transportation planning professionals within INCOG that collaborate on a wide variety of transportation initiatives.

A graduate degree in planning, geography, public administration or related discipline and three years of relevant experience is preferred or an equivalent combination of education and experience is required.

INCOG offers a comprehensive benefits package, including retirement, medical, vision, and dental plans, and a deferred compensation plan. The starting salary for the position is \$57,000 - \$64,000, depending on the candidate's qualifications and experience. A more detailed description can be found at www.incog.org
