

January 4, 2021

Dear Leslie,

I am writing on behalf of Orion Township Supervisor and SEMCOG Vice-Chair Chris Barnett, who intends to run for a second two-year term (2021-2022) for the District IX Regional Representative seat on NARC's Board of Directors.

Mr. Barnett's commitment to working with other regional leaders is consistent with NARC and SEMCOG's shared goals to build local capacity; develop and implement strategic investment plans; foster regional cooperation and economic competitiveness; and secure and manage funds from local, state, federal, and private sources.

If you have questions about this notice, please contact me.

Sincerely,

Amy O'Leary
Executive Director
