

The Wichita Area Metropolitan Planning Organization (WAMPO) is seeking to fill the position of **Transportation Planning Manager**. This position is responsible for managing WAMPO's transportation plans and studies.

**Duties:**

Typical tasks and duties of a Transportation Planning Manager may include but are not limited to the following:

- Manage the development of MPO Plans and studies.
- Assist in the development of long-range Metropolitan Transportation Plan (MTP) & short-range Transportation Improvement Program (TIP).
- Manage technical studies.
- Manage data maintenance through Geographical Information Systems (GIS) databases.
- Manage the development of Coordinated Public Transit—Human Services Transportation Plan.
- Manage the development of Public Participation Plan (PPP).

**Qualifications:**

- Extensive knowledge of the principles, practices, and objectives of transportation operations and project delivery, and the ability to relate this knowledge to the development of a regional transportation system.
- Experience with federal requirements and the project development, management, and funding processes.
- Demonstrated supervisory experience in a variety of projects and initiatives.
- Proven ability to manage, motivate, mentor, plan, and direct professional staff.
- Extensive experience with word processing, spreadsheets, and database programs, and the ability to present results effectively in oral, written, and graphic form.
- Ability to establish and maintain effective working relationships with associates, elected officials, and the general public.
- Ability to focus on details and possess strong organizational skills.
- Demonstrated ability to enhance WAMPO's mission with forward-thinking ideas for the future.
- An entrepreneurial inclination with the proven ability to cast a vision to diverse stakeholders and achieve buy-in.

**Experience & Training:**

- A minimum of eight years of progressively responsible professional experience in transportation, community, transportation/civil engineering ,and/or regional planning, including at least three years in a supervisory or similar administrative capacity.
- A Master's degree in city or regional planning or a related field preferred.
- MPO experience a plus.

**Position open until filled.** First set of applications will be reviewed in November 2021
