

## COLES COUNTY REGIONAL PLANNING & DEVELOPMENT COMMISSION

Charleston, IL United States

Coles County Regional Planning & Development Commission, covering 7 counties in central Illinois, is currently recruiting for a Planner-I.

### **Position Details**

Title: **Planner I**

Status: Regular, Full-time

Salary: \$36,000

Closing Date: May 6, 2022 at 4:30 p.m.

Under general supervision of the Executive Director of CCRP&DC, this position performs a variety of professional planning duties relative to land-use planning, planning studies, and grant administration. The primary focus is a USDA-RD strategic analysis study for a multi-use facility (focusing on a new or upgraded correctional facility) in Edgar County for local governments.

### **Required Qualifications**

The knowledge, skills, and abilities required for this position are typically acquired through four (4) year degree in land-use planning or other relevant field from an accredited college or university; Experience is required for this position and internship experience will be considered. New graduates are encouraged to apply.

This position performs a wide range of diverse long range planning projects including, but not limited to: master plans; transportation planning; trail and open space projects; feasibility studies; redevelopment and enhancement projects; consultant agreements; citizen participation activities; and grant development.

Benefits are included.
