

EMPLOYMENT OPPORTUNITY: SENIOR HOUSING AND LAND USE PLANNER

The Northern Middlesex Council of Governments (NMCOG) seeks candidates for the position of Senior Housing and Land Use Planner. The ideal candidate has a passion for housing and will perform a wide variety of technical planning tasks necessary to primarily advance the creation and preservation of housing throughout the Greater Lowell region. We are seeking candidates with research and project management skills, knowledge of housing policies and programs, and experience working on local and regional housing and land use planning. Through direct technical assistance work with our member communities, the position advances community-wide housing plans, zoning amendments and initiatives, development processes, regionalization programs, and other housing and land-use related projects. The planner will also help advance NMCOG's broader housing goals by developing, recommending, or commenting on state and federal policies.

The position is open until filled and applications will be reviewed on a rolling basis. Interested candidates should submit a cover letter and resume to Katrina Garavanian, kgaravanian@nmcog.org. Candidates selected to interview will be asked to submit three (3) references plus a sample of relevant writing or work product. Candidates must have legal authorization to work in the US and a valid driver's license and/or the ability to arrange transportation to meetings in different parts of the region. NMCOG participates in E-Verify, which is a federal program that helps us to determine work eligibility in the United States. NMCOG offers excellent Massachusetts state employee benefits and a flexible, hybrid work environment. NMCOG is an Equal Opportunity and Affirmative Action Employer.
