

## **Assistant Finance Director**

The Capital Area Council of Governments (CAPCOG) is seeking an Assistant Finance Director to support the agency's Finance Division. The Assistant Finance Director will provide a wide array of services to the Finance Division and the agency, with a special focus on budget and grant reporting. An ideal candidate has considerable experience in government or large non-profit accounting, with a broad understanding of agency financial systems and grants. Preference for candidates with credentials as either a Certified Public Accountant (CPA) or Certified Government Financial Manager.

Pay range: \$70,000 - \$90,000, depending on qualifications; \$40/month cell phone stipend.

Experience: 5 years' experience in accounting and financial operations; experience with grants and contracts, government accounting, and computerized accounting applications

Education: graduation from an accredited four-year college or university with major course work in accounting

Education and experience may be substituted for one another depending on qualifications.

Posting time frame: January 23, 2023

Post until filled.
