

December 21, 2022

The Honorable Nancy Pelosi  
Speaker  
U.S. House of Representatives  
Washington, DC 20515

The Honorable Kevin McCarthy  
Republican Leader  
U.S. House of Representatives  
Washington, DC 20515

Dear Speaker Pelosi and Leader McCarthy,

As Congress works to wrap up the 117<sup>th</sup> Congress, the undersigned organizations ask that the overwhelmingly bipartisan S. 5323 be brought up for a vote before the House adjourns for the year. This legislation allows states and localities additional flexibility to use American Rescue Plan (ARP) funds for a range of transportation purposes.

The ARP law provided \$350 billion in state and local government relief funds and \$10 billion in capital improvement assistance. As states continue to recover from the fiscal setbacks due to the pandemic, new economic headwinds and rising costs have emerged. Currently, states and localities are only allowed to use a fraction of their ARP resources for highway, public transit, and other surface transportation projects. By passing S. 5323, the ARP funds can help mitigate state budget shortfalls and allow states and localities to address ongoing infrastructure needs that may have been sidelined during the pandemic.

This legislation passed the Senate Dec. 20 via a unanimous consent agreement, and a similar House companion bill has 165 bipartisan co-sponsors. The legislation would not increase costs to the federal government or the deficit and does not mandate state or local governments change plans or priorities.

We strongly support the consideration and passage of S. 5323 in the House as soon as possible. The overwhelmingly bipartisan ARP flexibility legislation would empower public entities to further enhance their economic recovery from the COVID-19 pandemic.

Sincerely,

American Road & Transportation Builders Association  
National League of Cities  
Association of Metropolitan Planning Organizations
