

Transportation Planner – Bicycle/Pedestrian Coordination

Are you looking to join an award-winning organization with a culture built on innovation and public service?

The Transportation Department of the North Central Texas Council of Governments (NCTCOG) is seeking a Transportation Planner to support the Sustainable Development program, specifically related to Bicycle and Pedestrian Coordination. This position offers an exciting opportunity for candidates to participate in a wide range of activities with stakeholders in the Dallas-Fort Worth metropolitan area related to bicycle/pedestrian planning and studies; multi-modal corridor studies; safety education and outreach; a regional pedestrian safety action plan, regional Bicycle and Pedestrian Advisory Committee (BPAC) and stakeholder meetings; data collection, including the bicycle and pedestrian count program; geodatabase file maintenance of regional trails and bikeways; spatial analysis and data editing; and creating detailed maps for various planning projects.

The active transportation network in the Dallas-Fort Worth region consists of more than 8,600 miles of existing and planned regional shared-use paths (Regional Veloweb), supporting community shared-use paths and on-street bikeways in various stages of development. More information about Active Transportation planning and programs at NCTCOG is available at www.nctcog.org/bikeped.

Applicants wishing to be considered for this position should apply online at <https://www.nctcog.org/Careers>. All submittals should include a cover letter summarizing work experience, as well as a current resume.

NCTCOG is recognized as a military-friendly employer and values the knowledge, experience, and skills acquired during a military service career. All qualified veterans are invited to apply.

NCTCOG is a voluntary association of, by and for local governments, and was established to assist local governments in planning for common needs, cooperating for mutual benefit, and coordinating for sound regional development. NCTCOG's purpose is to strengthen both the individual and collective power of local governments and to help them recognize regional opportunities, eliminate unnecessary duplication, and make joint decisions. Since 1974, NCTCOG has served as the Metropolitan Planning Organization for transportation in the Dallas-Fort Worth Metropolitan Area and is responsible for developing transportation plans and programs that address the complex needs of the rapidly growing area. The planning area for transportation includes the 12 counties of Collin, Dallas, Denton, Ellis, Hood, Hunt, Johnson, Kaufman, Parker, Rockwall, Tarrant, and Wise.

The agency offers generous benefits, a friendly atmosphere with open communications for cooperative decision making, and challenging opportunities. The environment encourages both individual and team growth, responsibility, and innovation.
